

**INVITATION TO PRESENT YOUR COMPANY  
at the CONNECT Nordic Cleantech Partnerforum  
December 1, 2010 in Bergen, Norway**

CONNECT Norway proudly presents the annual CONNECT Nordic Cleantech Partnerforum in Bergen, Norway, December 01, 2010. CONNECT Norway invites entrepreneurs with innovative cleantech solutions within renewable energy, energy storage, energy efficiency or reduction of waste and emissions to participate.

Last year the CONNECT Cleantech Partnerforum gathered more than 125 participants representing leading companies and investors in the industry. The Cleantech Partnerforum is a unique arena to present your company to:

- Customers, suppliers and partners
- Industry Investors
- Leading cleantech companies

**What will you get as a selected entrepreneur?**

You will be given the opportunity to market your company and products through a presentation to industry members. Continue your marketing during the multiple breaks by showcasing your products and ideas in the exhibition area, talk to industry members or arrange 1 to 1 meetings with the most interesting customers, partners or investors!

To qualify for participation you must have completed a CONNECT Springboard® in your regional CONNECT Network before the date of the "Partnerforum".

**Process**

- Apply by sending the application form to [erlend@connectnorge.org](mailto:erlend@connectnorge.org) as soon as possible
- October 1st 2010 Application due date
- November 2nd 2010 Announcement of the selected entrepreneurs (maximum 10)
- November 19th 2010 Due date for presentation training for the entrepreneur
- December 1st 2010 Presentation at the Partnerforum

Participation fee is NOK 1500.- for the selected companies.

For more information: contact Erlend Bang Abelsen at +47 98 64 05 or [erlend@connectnorge.org](mailto:erlend@connectnorge.org).
